# Multi-Lingual translation of the Constitution

★ Ask tourists from different countries to translate the Constitution sentence by sentence in their own language. They can do that through words or images.

## Eyes on Liberty!

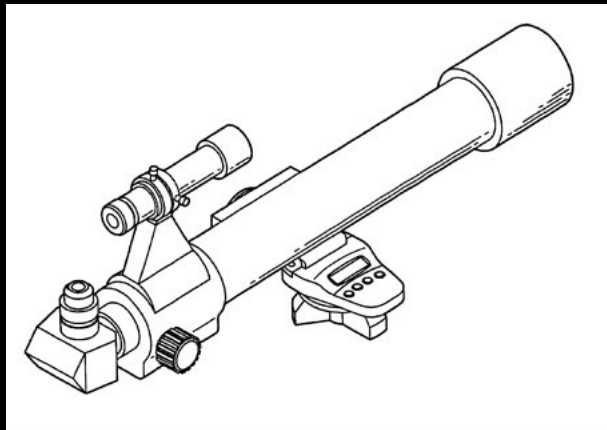

---

★ Three Fixed telescopes focused on the Statue of Liberty with instructions placed on the lenses simulating speech bubbles coming out of the statue.

★ Instructions will direct viewers to interact with other installations in the park.

“Ask the guy with the guitar to sing you a song.”

“Write in the book on the bench what liberty means to you.”

+

Find the notebook on the bench behind you and write what liberty means to you.

Go to that guy with  
the guitar and ask him  
to sing you a song.

**Thank You**
